

Annual Dinner - Friday, September 15, 2017 **Rancho Nicasio – Nicasio, California**

About Halleck Creek Ranch

For 40 years we have offered adventurous, challenging and healthy Therapeutic Horseback Riding for people with special challenges. Located on a 60-acre historic West Marin ranch, our program pairs gentle horses with trained staff and volunteers, and amid breathtaking landscapes we promote a “life without barriers”. As a non-profit 501(c)(3) we rely on the support of individuals and our community to enable us to offer our services to the widest group of people possible.

About our Annual Dinner and Silver Buckle Award

In 2017 we are delighted to honor **Dr. Henry “Hoby” Wedler** with our Silver Buckle Award. Hoby has educated the world about the potential of people living with blindness. Completely blind since birth, he

Following his motto, “expect nothing but hope for everything,” Wedler continues to challenge the belief that impairment of any kind should keep someone from pursuing his or her dreams.

completed his Ph.D. in computational organic chemistry at the University of California, Davis in 2016, and is the founder and director of the nonprofit Accessible Science, which conducts 3-day chemistry camps for blind and visually impaired high school students. Since 2011, he has been helping blindfolded guests at Francis Ford Coppola Winery use their other senses to enjoy the tastes, smells and textures of wines in his signature “Tasting in the Dark” monthly series.

Recognized as a game changer within the wine industry, Hoby was selected by Forbes Magazine in 2016 for their 30 Under 30 list in the Food and Drink category.

This is our signature event offering an opportunity to socialize with old and new friends, enjoy fine food and wine and learn more about HCR’s therapeutic riding program and our accomplishments. A live and silent auction will offer tempting one-of-a-kind items including travel and adventure, exclusive wines, outdoor gear and more. Proceeds from the event provide scholarship funding for riders and help care for our herd of 18 therapy horses.
